16.3 One race will constitute a series. A boat's total score will be the total of her race scores. A team's total score will be the total of all the individual scores of the boats representing the team.

16.4 A tie in overall points will be broken by the points gained in the Offshore Race, or if that fails, the Around the Island Race. If a tie still remains the result will be determined by the lowest point scoring boats of the tied teams in the final race.
