

Does your MNA need an employee or committed volunteer trained?

Send them to the World Sailing Training Scholarship, 3rd September to 19th October 2018

This 7-week training scholarship will provide the candidate with the training and experience required to develop and manage a successful National sail-training program within the MNA.

- Delivered once a year at the London 2012 Olympic Sailing Venue of Weymouth and Portland and the World Sailing executive office (London)
- Delivered by various experts including World Sailing Nominated Experts and industrial specialists.

Who is this course for?

- Committed volunteers or staff involved in developing the National Sail Training Program
- Individuals in the position to influence the future of training and development of Sailing in your country

How can this training be funded, and how can I apply?

Via Olympic Solidarity Funding (NOC approval needed)	Self-funded
<ul style="list-style-type: none"> - Contact your National Olympic Committee requesting form '7.2 World Programmes Olympic Scholarships for Coaches Application Form' - Contact your World Sailing RDC to assist with the completion of the form and return the completed version to your NOC. - Send Curriculum Vitae; Medical Certificate; Support letter from your National Federation; Copy of candidate's passport; Covering letter from candidate; Candidate skype or telephone details to World Sailing Training and Development 	<ul style="list-style-type: none"> - Contact World Sailing for application form - Send Application form; Curriculum Vitae; Medical Certificate; Support letter from your National Federation; Copy of candidate's passport; Covering letter from candidate; Candidate skype or telephone details to the World Sailing Training and Development team

What does this course offer you as an MNA?

Modules to strengthen both practical and theoretical knowledge and skills.

- Candidates will be taught how to teach others and how to manage an accredited Sail Training centre or Sailing Club.
- Aims to develop a candidate's knowledge on all aspects of running a nationally recognised Sail-training Programme.
- Ultimately, the candidate will be able to aid the growth of the MNA, to positively influence the development of sailing within the MNA.

For any further questions or guidance with this process please contact Catherine Duncan Catherine.duncan@sailing.org from the World Sailing Training and Development team.
