

# Class Rule Changes

International Dragon Association

Effective date: 2025-03-01

Status: Draft

## Amendment One

---

### 6 SPARS

#### Old:

- 6.21 The mast shall be constructed out of one continuous drawn extrusion with a section weight of not less than 2.2kg/m.

#### Amend to Add:

- 6.21 The mast shall be constructed out of one continuous drawn extrusion with a section weight of not less than 2.2kg/m. **A repair by sleeving a mast, of length no longer than 1m, shall not be considered as infringing this rule.**

#### Reasons:

Clarification

## Amendment Two

---

### 6 EQUIPMENT

#### Old:

11.11

1. VHF Radio which shall only be used in an emergency. The Notice of Race or Sailing Instructions may define additional use (e.g. race management communication) and make the item mandatory onboard.
2. mobile phones or similar devices permitting the receiving of any outside information, may only be used in an emergency. At all other times during racing the device shall be turned off.

#### Amend to Add:

11.11

1. VHF Radio which shall only be used in an emergency. The Notice of Race or Sailing Instructions may define additional use (e.g. race management communication) and make the item mandatory onboard.
2. mobile phones or similar devices permitting the receiving of any outside information, may only be used in an emergency. At all other times during racing the device shall be turned off.
3. **Camera (video recording) device**
